What to say if you need to call '000'

Learn how you can help in an emergency. Pretend there's an emergency and practice making a call with your class.

1

Stay calm and make sure you're in a safe place.

2

Call '000'

000

Police, Fire or Ambulance?

3

Stay on the line and let the person on the phone ask questions.

Answer the questions as best you can in a clear and calm voice.

Do you need Police, Fire or Ambulance?

What's your address? Or can you describe where you are?

What's happened? What kind of emergency is it?

Is anyone hurt or trapped?
